samiadiba@gmail.com

Date of Birth 02 September 1991
 Nationality Bangladeshi
 Father S.M. Hemayetul Islam
 Mother Hoshneyara Sarder

I'M NOT AN HISTORIAN BUT I CAN GET INTERESTED—OBSESSIVELY INTERESTED—WITH ANY ASPECT OF THE PAST, WHETHER IT'S PALEONTOLOGY OR ARCHAEOLOGY OR THE VERY RECENT PAST.

— Dame Penelope Lively

A highly motivated individual wishing to expose knowledge to pursue a long term career as a faculty to significantly contribute to the student development and interprets a biasfree history.

(Science discipline) | GPA: 4.50(out of 5.00) |
| | Kashiani G.C. Pilot High School, Kashiani, Gopalganj | |
| | <ul style="list-style-type: none"> ▪Physics, Chemistry, Biology, English, Mathematics, Bengali, Social Science. | |

PERSONAL SKILLS

Language Skill

- Bengali (Native)
- English (Excellent writing and verbal Competency)

Communication skills

- Good communication skills gained through my experience as a faculty, surveyor and team leader.

Organisational Managerial skills

- Leadership (currently conducting an exploration with leadership of a 5 members team)

Certificate Course

- Completed certificate course on ‘Advanced Research Methodology’ under Institute of Education and Research, D.U.

Experience

- From September 2016 to till date working as adjunct faculty at Independent University Bangladesh.
- Working on 3D Predictive Modelling of Archaeological Heritage in Bangladesh, webpage address: www.archaeologybd.com. From December 2016
- From September 2015 to November 2017, as a research assistance conducted survey and prepared report on ‘Mpping the Landscape of Archaeo-history and GPS Survey Stratagy: The Archaeological Heritage of Bangladesh’ in ‘Shastra’ funded by Ministry of Cultural Affair
- Worked as a research assistant with Rupali Akhter, Assistant Professor, Department of archaeology, Jahangirnagar University. Her research area is Wari-Bateshwar region, helping her in pottery drawing, cataloguing and analysing them for understanding of the past society culture and economy.
- Worked as a research assistant under Md. Masood Imran, Associate Professor, Department of Archaeology, Jahangirnagar University, in his research work in Naogan especially at Paharpur.

Exploration and Survey

- In 2015, as a part of academic research, I survey and record different historical site like Ahsan Manzil, Dhaka; Lalbag Fort, Dhaka; Hazi Shabaj mosque, Dhaka; Mosque of Musa Kha, Dhaka; Baliati Jomider Bari, Manikganj; Panama City, Sonargaon; Paharpur, Naogaon; Shalbon Bihar, Kutila Mura and Charpatra Mura, Comilla; Shat Gumbuj Mosque, Bagerhat. The main objective of my survey was ethnographic data collection for analysing and understanding the socio-political aspects of past.
- I have conducted an archaeological survey at ‘Liberation War Museum, Bangladesh’ & ‘Lalbag Fort Museum’ in 2014. The main objective of my survey was documentation of the object and analysing them to interpret the social structure of that time period.
- As a part of my academic performance in 2010, I surveyed and explored the four upazila (Chaugschha, Jhikargachha, Keshabpur, Manirampur) of Jessore district to understand the landscape and its impact on human history of now Bangladesh.

Report

- On the basis of my excavation experience at Tongirtak, Narshingdi from 13 march 2015-25 march 2015 I prepared a report: ‘A Preliminary Report on Excavation at Tongirtak (Wari-Bateshwar Reagion)’. While preparing this report I have tried to accumulate as much data-information as possible.

- According to my Excavation and survey at Wari-Bateshwar I prepared my field report; ‘Wari-Bateshwar: A report on Archaeological Excavation and Survey’. I tried to analysis the found data-information as well as artefacts in scientific way.
- For the fulfilment of my survey purpose at Jessore, I prepared a report: ‘A preliminary Exploration Report on Four Upazilas of Jessore District’. I prepared the report to express my opinion after analysing the data-information and material remain.

Digital Competence

- Certificate on Computer in Archaeology (by Dept. of Archaeology, Jahangirnagar University)
- Certificate on Computer Basic Course (by Dept. of Youth Development, Government of the People’s Republic of Bangladesh)
- Good command of office suite (word processor, spread sheet, presentation software)
- Good command of graphics work
- Good command of Internet browsing and data analysis

Memberships

- Centre for Disability Development’, JU
- ‘Education Club’, JU
- ‘Explorers’ , JU
- National Debating Society (NDS)
